PRELIMINARY AMENDMENT

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

Kindly amend the application prior to examination of the
application on the merits.

IN THE CLAIMS

Cancel all pending claims without prejudice.

Add the following new claims.

64. An electronically programmable remote control
vehicle security system, comprising:

a precoded portable hand-held transmitter comprising
means for generating and transmitting a predetermined
fixed, digitally encoded, radio frequency, receiver-
responsive signal representative of a predetermined fixed
transmitter code, and actuating means for actuating said
generating and transmitting means so that said signal is
automatically generated and transmitted upon actuation,
and wherein said transmitter is suitably encoded with
